

2020 Fishers High School Silver Spotlight Show Choir Invitational: Damage disclaimer

Please review and sign this Damage Disclaimer and return it with your completed Tech Sheet by January 10, 2020. Thank you for your cooperation.

The Hamilton Southeastern School Corporation, Fishers High School, the Fishers High School Choral Department, Fishers High School Tiger Choir Booster Club Parents, Sound, Electrum and other Fishers High School Choir Students cannot be held responsible for lost or stolen articles, including instruments, equipment, and/or personal property.

All participants are encouraged to exercise proper care in securing all personal belongings. Due to concerns regarding the security of personal property, only properly-authorized persons are allowed to enter participating choir homerooms at any time during the event. Only participants accompanied by directors or adult chaperones will be allowed to enter their homeroom during times when the group is not using the homeroom for performance preparation.

Damage to the homeroom, its contents, or to Fishers High School equipment and facilities will be billed to the responsible choir and school; that school will also be disqualified from next year's invitational. Please make sure to reiterate to your students that they are only permitted in supervised areas. Thank you.

Directors and adult chaperones are urged to advise all participants of the consequences of damage to, or the destruction of, Fishers High School property.

I have read the above and understand my responsibility.
